TO: DSB

George Jaeger of the General Advisory Committee called this afternoon. He would like for you to have a half hour session with them on Tuesday, 30 November, from 11:00 to 11:30 - a fifteen minute presentation and 10-15 minutes for questions. On the schedule you will follow a Mr. Bowie from Harvard and Mr. Packard goes on at 11:30.

STATINTL

They would like you to give an updated briefing on the [] associated developments, a few words on the increasing importance of China in the missile and space area, and a few words on Soviet anti-satellite activities.

STATINTL

[] is getting together a few vugraphs which you may want to use.

I know this is your day to go to GMAIC but I assumed you would wish to honor McCloy's request.
